

Forward Plan of Key Decisions

The County Council must give at least 28 days' notice of all key decisions to be taken by councillors or officers. The Plan describes these proposals and the month in which the decisions are to be taken over a four-month period. Decisions are categorised according to [cabinet member](#) portfolios.

The most important decisions will be taken by the Cabinet sitting in public. The meetings are also available to watch online via our [webcasting website](#). The [schedule of monthly Cabinet meetings](#) is available on the website.

The Forward Plan is updated regularly and key decisions can be taken on any day in the month if they are not taken at Cabinet meetings. The [Plan](#) is available on the website. [Published decisions](#) are also available via the website.

A key decision is one which:

- Involves expenditure or savings of £500,000 or more (except treasury management); and/or
- Will have a significant effect on communities in two or more electoral divisions in terms of how services are provided.

The following information is provided for each entry in the Forward Plan:

Decision	A summary of the proposal.
Decision By	Who will take the decision - if the Cabinet, it will be taken at a Cabinet meeting in public.
Date added	The date the proposed decision was added to the Forward Plan.
Month	The decision will be taken on any working day in the month stated. If a Cabinet decision, it will be taken at the Cabinet meeting scheduled in that month.
Consultation/ Representations	How views and representations about the proposal will be considered or the proposal scrutinised, including dates of scrutiny committee meetings.
Background Documents	The documents containing more information about the proposal and how to obtain them (via links on the website version of the Forward Plan). Hard copies are available on request from the decision contact.
Lead officer (report author)	The contact details of the decision report author.
Contact	Who in Democratic Services you can contact about the entry.

Finance, assets, performance and risk management

Each month the Cabinet Member for Finance and Property reviews the Council's budget position and may take adjustment decisions. A similar monthly review of Council property and assets is carried out and may lead to decisions about them. These are noted in the Forward Plan as 'rolling decisions'.

Each month the Cabinet will consider the Council's performance against its planned outcomes and in connection with a register of corporate risk. Areas of particular significance may be considered at the scheduled Cabinet meetings.

Significant proposals for the management of the Council's budget and spending plans will be dealt with at a scheduled Cabinet meeting and shown in the Plan as strategic budget options.

For questions contact Katherine De La Mora on 033 022 22535, email katherine.delamora@westsussex.gov.uk.

Children and Young People portfolio

Future Delivery of the Child and Adolescent Multi-Disciplinary Psychological Service

The Child and Adolescent Multi-disciplinary Services (CHAMPS) delivers psychological services across a range of needs with the largest cohort being Children we Care For. The CHAMPS contract was awarded to Sussex Partnership Foundation Trust (SPFT) for an initial period of three years from 1 October 2019 with an option for an extension of a further 2 years. The Director of Children, Young People and Learning approved the extension of the CHAMPS contract with SPFT for a year until end of September 2023 ([Decision OKD53 \(22/23\) refers](#)) whilst potential options for future delivery were explored.

A review of the options available for delivery of the service has now been undertaken and it is proposed for the CHAMPS service to be delivered by the County Council. The Cabinet Member for Children and Young People, Learning and Skills will therefore be asked to approve the insourcing of the CHAMPS service from 1 December 2023 and the associated funding arrangements.

Extension of the Dynamic Purchasing System for Children's Placements and Other Support Services

The County Council needs to source a range of services and educational placements including foster care and placements in residential homes and independent and non-maintained special schools.

The process for obtaining these services from external providers is by using the Dynamic Purchasing System for Children's Placements and Other Support Services ("CPOSS DPS"). Using the DPS enables the Council to match a young person's needs with a suitable provider.

The DPS was established in 2019 for a maximum period of seven years. The initial contract period for the DPS expired on 28th February 2022 and was extended for 2 years until 29th February 2024 ([via OKD51 \(21/22\)](#)).

The original contract allowed for further extension periods to reach the full seven year maximum term. Agreement will be sought from the Director of Children, Young People and Learning to extend the DPS for a further 2 years from 1st March 2024 – 28th February 2026.

Learning and Skills Portfolio

Allocation of S106 funding to enable expansion of St Wilfrid's Catholic School, Crawley

St Wilfrid's Catholic School in Crawley is currently a 5 form entry (5FE) 11-16 Secondary School. The school has grown in recent years to meet the demand for places, taking bulge classes of 30 pupils in each of the last three years. This has led to the requirement for additional accommodation to enable the school to become a 6FE 11-16 Secondary School in all year groups.

It is proposed that a new teaching block incorporating 6 classrooms, office space, toilets and storage is provided. The intention is to fund the expansion project using received Section 106 funds which must be spent on additional secondary educational infrastructure and/or equipment in Crawley.

It is intended that the expansion is delivered as a school managed project. Therefore, following detailed design and associated cost estimates provided by the school, the Assistant Director (Property and Assets) will be asked to approve the allocation of the S106 funds to the school to enable the project to proceed.

Additional budget allocation for delivery of a Special Support Centre at Edward Bryant School, Bognor Regis

In June 2022 the Cabinet Member for Learning and Skills approved the funding to enable establishment of a new 12 place Special Support Centre (SSC) at Edward Bryant Primary School in Bognor Regis for pupils with Social Communication Needs ([decision LS03\(22/23\)](#) refers).

Since that time inflationary pressures have led to additional costs and the Multi-Disciplinary Consultant has reported that additional funds are needed for this project to be completed.

The Cabinet Member for Children and Young People, Learning and Skills will be asked to approve the additional budget allocation to enable the delivery of the new SSC at Edward Bryant school.

Allocation of Capital Funding to create increased provision for girls' changing at St Andrew's CE High School, Worthing

In October 2020, following a public consultation, the proposal to alter St Andrew's CE High School for Boys, Worthing to a co-educational school from September 2021 entry was confirmed ([Decision ES08\(20/21\)](#) refers).

Following the change in 2021, the number of girls attending St Andrew's CE High School is increasing and therefore a further increase to changing provision is required to ensure adequate provision for girls. As St Andrew's CE High School is a Voluntary Aided School and the County Council do not own the freehold of the building, it has been agreed that the project can be delivered as a school managed project. The Governing Body has appointed consultants who are currently undertaking the design work for the proposed scheme.

Following detailed design and associated cost estimates the Cabinet Member for Children and Young People, Learning and Skills will be asked to approve the budget required and the passporting of funds to St Andrew's CE High School to deliver the extension to girls' changing facilities.

Award of Contract for delivery of a Special Support Centre at Edward Bryant School, Bognor Regis

In June 2022 the Cabinet Member for Learning and Skills approved the funding to enable establishment of a new 12 place Special Support Centre (SSC) at Edward Bryant Primary School in Bognor Regis for pupils with Social Communication Needs. The Cabinet Member also delegated authority to the Assistant Director (Property and Assets) to enter into a construction contract with the successful tenderer upon completion of a procurement process for delivery of the SSC (decision [LS03\(22/23\)](#) refers).

As part of a separate decision process approval is currently being sought to allocate additional funding to the project to take account of inflationary cost pressures since the original allocation was approved.

The project at Edward Bryant Primary School to deliver a new SSC will involve design and construction of a new building, internal remodelling within the existing school building and external works.

A procurement for the works is currently being undertaken. On conclusion, and following confirmation of additional funding being allocated to the project, the Assistant Director (Property and Assets) will be asked to approve the award of the construction contract to the preferred provider to deliver the new SSC at Edward Bryant School.

Award of contract for modifications to Arun House to provide a Satellite site for Queen Elizabeth II Silver Jubilee School, Horsham

In March 2023 the Cabinet Member for Learning and Skills approved the budget required to enable the phased establishment of a satellite site to Queen Elizabeth II Silver Jubilee school (QE2) to provide additional pupil places (decision [LS11 \(22/23\)](#) refers). The County Council's Multi-Disciplinary Consultant (MDC) has been appointed to undertake the full design of the satellite site. The new accommodation will provide up to an additional 60 places increasing the current school's capacity for 15-19yr olds, from the current 120 to 180 planned places.

The Cabinet Member also approved the delegation of authority to the Assistant Director (Property and Assets) to commence a procurement process and enter into a construction contract or contracts with the successful tenderer or tenderers to carry out the work.

A procurement process is being undertaken and, following completion, the Assistant Director (Property and Assets) will be asked to approve the award of contract for the phased establishment of the satellite site to QE2 school.

Commissioning of College Alternative Provision for Key Stage 4 Learners

The County Council currently commissions the Chichester College Group to deliver education provision for Key Stage 4 pupils aged 14-16, whose educational and developmental needs are deemed to be better suited and supported through a more vocationally based curriculum.

The package of provision, procured in 2021 (decision [OKD11\(21/22\)](#) refers), is known as 'Freshstart' and is delivered across selected campuses constituting the Chichester College Group (CCG).

Building on the success of the service to date, it is proposed to continue to commission CCG to offer this provision for a further year. The Interim Assistant Director (Education and Skills) will be asked to approve the award of a contract to the Chichester College Group for the continuation of the provision of services under the 'Freshstart' programme.

Proposed Change of Age Range to Incorporate Nursery Provision at Six West Sussex Schools

Hawthorns Primary and Springfield Primary Schools in Worthing, Maidenbower Infants, Brook Infants and St Margaret's CE Primary in Crawley, and Slinfold CE Primary near Billingshurst, are all schools that cater for children aged four to eleven-year-olds and four to seven-year-olds. Each school has a pre-school nursery on their site offering provision for children aged between two and four years old, or three and four years old.

It is proposed that the current pre-school nursery provision is incorporated within the age range of the six maintained infant or primary schools, extending the age range by one or two years.

This age range change will assist in simplifying the transfer of the schools to become academies if they wish to become so in the future. The change also assists Ofsted by regularising how schools with nursery provision are categorised on the Department for Education '[Get Information About Schools](#)' database.

In accordance with the Department for Education's [guidance for making prescribed alterations to maintained](#) schools a four-week statutory consultation with all major stakeholders will be undertaken during November 2023, to obtain feedback regarding the proposals.

Following assessment of the outcome of the consultation, the Cabinet Member for Children and Young People, Learning and Skills will be asked to consider any representations received during the statutory notice period and take a decision whether to proceed with the proposed changes of age range.

Award of Adult Learning Community Learning Grant funded Programmes

Adult learning is a non-statutory provision, externally funded via the Department for Education through the Education Skills Funding Agency (ESFA). The County Council receive a total £3.1m Adult Education Budget each year from the ESFA which funds the provision of learning for adults to obtain skills or qualifications and/or enhance their wellbeing and/or improve their life skills/personal development.

In March 2023 the Cabinet Member for Learning and Skills approved the launch of a procurement and the commencement of an expression of interest process to secure a range of providers to deliver the adult skills and community learning programme (decision [LS10\(22/23\)](#) refers).

In August 2023 approval was granted for the award of contracts to deliver the adult skills provision (decision [OKD11 \(23/24\)](#) refers).

Expressions of interest are now being sought from providers to bid for funding from the Community Learning Grant element of the budget. The process will secure Grant Funding Agreements with multiple providers to deliver community focussed programmes which engage with and support the most vulnerable and disengaged residents.

On conclusion of the process the Interim Assistant Director (Education and Skills) will be asked to award the contracts to the successful providers for an initial period up to 31 July 2025.

Additional budget allocation for the replacement of modular teaching accommodation at Slinfold CE Primary School

Slinfold CE Primary School is a 140 place Primary School for 4–11-year-olds, incorporating five classrooms and a pre-school on site. Two of the five classrooms are in 30-year-old modular classrooms which have significant suitability and condition issues due to the age of the buildings and are nearing the end of their life.

In December 2021, the Cabinet Member for Learning and Skills approved the allocation of £1.158m to replace the modular classrooms with a two class extension and delegated

authority to the Director of Property and Assets to award the contract ([Decision LS12 \(21/22\)](#) refers).

Since that time there have been programme delays due to the identification of Great Crested Newts as well as inflationary pressures. Additional funds are therefore required to complete the project.

The Cabinet Member for Children and Young People, Learning and Skills will be asked to approve the additional budget allocation to enable the delivery of the project at Slinfold CE Primary school.

Consultation to relocate Jessie Younghusband Primary School, expand St Anthony's School and associated catchment area changes, Chichester

St Anthony's School in Chichester is a Special School for children and young people aged between 4 and 16 with moderate learning difficulties. Current places are insufficient to meet the need for special school places in the area resulting in children being placed in the Independent and Non-Maintained Sector. There is a need to expand St Anthony's to ensure there are appropriate and sufficient places in accordance with the County Council's [Special Educational Needs and Disability \(SEND\) Strategy 2019-2024](#).

Sharing a site with St Anthony's School is Jessie Younghusband Primary School which is a 4-11 Primary School providing up to 210 places. It is proposed to relocate Jessie Younghusband from the current location to a new 1 Form of Entry (FE) Primary School (210 places) which is being built on the housing development north of Chichester, known as Minerva Heights.

The creation of a new primary school along with the need to include the additional children who will live in Minerva Heights for future school place planning means it is necessary to consider the appropriateness of current catchment areas for primary admissions in the local area.

The Cabinet Member for Children and Young People, Learning and Skills will be asked to approve the launch of a public consultation to seek views on the proposals to relocate Jessie Younghusband Primary School and expand St Anthony's School along with the associated catchment area changes.

Allocation of funding to create bulge classes for secondary pupils in East Grinstead

Following a review of pupil projections for starting secondary school in East Grinstead, it is necessary to create provision for a bulge class in both September 2024 and 2025 to deliver additional places to accommodate the growing number of secondary pupils.

Viability studies are currently being undertaken at the two secondary schools in the town – Imberhorne and Sackville to assess which school should be expanded to accommodate the bulge classes.

Following completion of the viability studies, and on determining which school should be expanded, funds will be sought in line with the cost estimate to enable the works to be taken forward. The monies for the project will be allocated from S106 funds which have been received to fund additional capacity for secondary aged pupils in East Grinstead.

The Assistant Director (Property and Assets) will be asked to approve the budget required for the project to create provision for the bulge classes.

School Funding 2024/25	
<p>West Sussex County Council is required, under national funding regulations, to consult schools and the Schools Forum on proposed changes to funding arrangements affecting mainstream school budgets. Over the last couple of years the West Sussex local funding formula has been moving towards the National Funding Formula factor values, and 2024/25 will be the first year that these factor values will be used in full as part of the budget calculation.</p> <p>The School Funding Review 2024/25 consultation document was published on 11th October 2023. Responses to the consultation and feedback from Schools Forum will be taken into account in the development of the local funding formula for mainstream schools in 2024/25.</p> <p>To help fund the Dedicated Schools Grant (DSG) recovery plan included as part of the council's Delivering Better Value Programme proposals, a proposal to transfer £0.5m of funding from the Dedicated Schools Grant (DSG) Schools block to the DSG High Needs Block, funded through a reduction in the National Funding Formula basic entitlement rates, has been included as part of the schools funding consultation. Under the funding regulations, any transfer between blocks is a decision that is taken by Schools Forum, although the County Council can seek to overturn this by applying to the Secretary of State for Education through a disapplication request.</p> <p>Following consideration of the responses to the consultation and the feedback from Schools Forum the Cabinet Member for Children and Young People, Learning and Skills will be asked to approve the 2024/25 local funding formula for all mainstream schools in the county.</p>

Award of contract for construction of an All Weather Pitch at The Forest School, Horsham

In July 2020 the Cabinet Member for Education and Skills approved the siting of additional accommodation for QEII School on some of the existing playing field at The Forest School (Decision reference [ES02\(20/21\)](#)). In order to mitigate the impact of the loss of the playing field an All Weather Pitch will be constructed at The Forest School.

The All-Weather pitch will enable pupils to undertake outside sport activities all year round whilst also providing the school the ability to generate additional income through letting.

As part of a separate key decision process the Cabinet Member for Learning and Skills approved the allocation of capital funding from Section 106 contributions to undertake a project to provide an All Weather Pitch at The Forest School ([Decision LS05\(21/22\)](#) refers). The Cabinet Member also delegated authority to the then Director of Property and Assets to award the contract for the project.

The Assistant Director (Property and Assets) will be asked to approve the award of contract for the proposed project at The Forest School.
