
Report to Health and Adult Social Care Scrutiny Committee

22 November 2023

End of September 2023 (Quarter 2) Performance and Resources Report – Focus for Scrutiny

Report by Director of Law and Assurance

Summary

The Quarterly Performance and Resources Report (PRR) is the Council's reporting mechanism for corporate performance, finance, savings delivery, risk and workforce. It has been designed to reflect the priorities, outcomes and measures included in the Council Plan. The report is available to each scrutiny committee on a quarterly basis and each committee will consider how it wishes to monitor and scrutinise performance relevant to its area of business.

The report (Appendices B and C) reflects the position at the end of September 2023 and reports the Quarter 2 2023/24 position.

Adults Services

Of the 9 performance measures, 44% of measures are reporting as 'green', 22% as 'amber' and 33% as 'red'. The number of red rated Key Performance Indicators (KPIs) has decreased since the quarter 1 PRR.

As at the end of September, the forecast against the Adults Services budget is a projected overspend of £1.2m, a decrease of £0.8m when compared to the reported June position.

The PRR includes information which is specifically relevant to the portfolio responsibilities of the scrutiny committee. This includes preparation for the Care Quality Commission (CQC) assurance assessment of adult social care, additional funding that will be provided to local authorities through the Market Sustainability Improvement Fund, an update on Avila House in Worthing and how the Prevention Assessment Team continues to support residents with early intervention, advice and guidance.

Public Health

Of the 9 performance measures, 22% of measures are reporting as 'green', 44% as 'amber' and 33% as 'red'. The number of red rated KPIs has increased since the quarter 2 PRR.

As at September 2023, the forecast for the Public Health and Wellbeing Portfolio continues to be a balanced budget.

The PRR includes information which is specifically relevant to the portfolio responsibilities of the scrutiny committee including work with the Local Government

Association (LGA) with the Health and Wellbeing Board, the Government's Major Conditions Strategy, an update on Covid-19 and flu vaccinations and defibrillators.

The current Risk Register (Appendix D) is included to give a holistic understanding of the Council's current performance reflecting the need to manage risk proactively.

Focus for scrutiny

In reviewing the PRR, the Committee's role is to monitor performance, finance and risk at a strategic level for its portfolio areas. Its focus should be on key performance indicators that are identified as red or amber as well as any budget variations.

Key lines of enquiry include:

- What is being done to address areas of under-performance (KPIs currently showing as red or amber)
- The effectiveness of measures being taken to manage the revenue and capital budget position, specifically in relation to any budget variations, non-delivery of the capital programme or agreed savings.
- Whether concerns raised previously by the committee have been addressed
- To assess key corporate risks set out in the Risk Register relating to the Committee's areas of responsibility and plans to mitigate these
- Using the information on performance and finance, does the service being delivered meet the objectives in the Council Plan and does it provide value for money?
- To identify any issues for further in-depth scrutiny to include in the Committee's future work programme (where scrutiny may influence outcomes/add value)
- Identify any specific areas for action or response by the relevant Cabinet Member or for further scrutiny by one of the other scrutiny committees

The Chairman will summarise the output of the debate for consideration by the Committee.
