Feb 2018 Min 57	Talk with Us	School crossing outside Thomas a Beckett School	Mike Thomas
Nov 2018 Update	The signs at this location have been reviewed. It is anticipated that any further signs would not offer significant benefit, however this will be reviewed in the whole as part of the School Travel Plan and any subsequent proposals. It is noted that a School Crossing Patrol Assistant has now been working at this location for a while now.
