

Joint Western Arun Area Committee – Wednesday 31 October 2018

Progress Statement

Subject	Action	Lead Name/ Authority	Progress
Local Community Networks	Update from Officers	WSCC	Regis The Regis (Bognor and surrounding areas) Local Community Network is a partnership formed of health and social care providers from the NHS, GPs, Councils and Voluntary & Community sector, including Patient Participation Groups (PPG). The aim is to work better together in the Regis area to address local needs. The Regis PPG has recently received a small amount of funding from Healthwatch and is working with the LCN to organise a fun and interactive event in the new year to promote good health.
