Guidance based on Key Lines of Enquiry (KLoE)

1. Transparency & Governance	Rating	Overall confidence levels	
Will the LTP be both refreshed and republished by the deadline of 31 October 2018 with checked URLs, ensuring it is available on partner websites and in accessible formats for CYP, parents, carers and those with a disability?	Fully Confident		
If the plan is not refreshed by the 31st October 2018 deadline, has the CCG confirmed a progress position statement on the refresh on their website?	,		
Is the LTP appropriately referenced in the STP? Does the plan align with the STP and other local CYP LTPs? (CCGs are requested to provide a paragraph on alignment)	Fully Confident		Section 7 -
Does the LTP include baseline figures (15/16), updated figures (16/17, 17/18) and planned trajectories for:	,		
- finance (LTP investment and other wider investment that contributes to deliver of transformation)	Fully Confident		Section 6
- staffing (WTE, skill mix, capabilities)	Fully Confident		Appendix
- activity (e.g., referrals made/accepted; initial and follow-on contacts attended; waiting times; CYP in treatment) with a clear year on year plan that demonstrates how performance will improve in line with access targets and increase capacity to deliver			
evidence based interventions?	Fully Confident		Section 2 a
Does the refreshed LTP clearly evidence engagement with CYP and their parents/carers from a range of diverse backgrounds, including groups and communities with a heightened vulnerability to developing a MH problem, including CYP with Learning			
Disability/Autism spectrum disorder/Attention deficit hyperactivity disorder (ADHD)?	Fully Confident		Section 7 -
Does it evidence their participation and co-production in:	Fully Confident		Section 7 -
- governance	Fully Confident		Section 7 -
o endo assessment	Fully Confident		Section 7 -
- service planning	Fully Confident		Section 7 -
- service delivery and evaluation	Fully Confident		Section 7 -
- treatment and supervision	Fully Confident		Section 7
- feedback to inform commissioning and services	Fully Confident		Section 7 -
Have the following relevant partners been consulted about the proposed key priorities of the refreshed LTP for 18/19:	Fully Confident		Section 9
- the chair of the Health and Wellbeing Board and their nominated lead members	Fully Confident		Section 9 a
- Children's Partnership arrangements	Fully Confident		Section 9 a
- specialised commissioning	Fully Confident		Section 9 a
- local authorities including Directors of Children's Services and Local Safeguarding Children's Boards	Fully Confident		Section 9
- local Transforming Care Partnerships	Fully Confident		Section 9 a
- local prairicipation groups for CVP and parents/carers	Fully Confident		Section 9 a
	Fully Confident		Section 9 a
Are there clear and effective multi-agency governance board arrangements in place with senior level oversight for planning and delivery and with a clear statement of roles, responsibilities and expected outputs? Does the plan evidence a strategy on how to track and improve progress over the plan's period that includes KPIs? i.e. show yr1, 2, 3 etc.	Partially Confident		
Does the plan evidence a strategy on now to track and improve progress over the plan's period that includes KFS1 i.e. show Yr 1, 2, 5 etc. Does the plan portray a culture of collaborative working across agencies and evidence of where stakeholders have worked in partnership to reduce fragmentation in commissioning and service delivery, including all key investment and performance			Section 7 a
information from commissioners and providers within the area?	Fully Confident		Section 7 -
Does the plan demonstrate links with other key strategic reforms and plans for children and young people with MH conditions, for example Transforming Care and special educational needs and disability (SEND)?	Fully Confident		Section 5 -
			Section 5
2. Understanding Local Need	Rating	Overall confidence levels	
Is there clear evidence that the plan was designed and built around the needs of all children and young people and their families locally who have or may develop a MH problem, including particular attention to groups and communities with a known			
heightened prevalence of MH problems, including CYP with LD/ASD/ADHD?	Fully Confident		Section 2 -
Does the LTP demonstrate how the needs of disabled children and young people, including those with a learning disability, autism or both will be met?	Fully Confident		Section 5
Does the plan evidence a strong understanding of local needs and meet those needs identified in the published Joint Strategic Needs Assessment (JSNA), whilst also identifying where gaps exist, with evidenced based plans in place to address these?	Fully Confident		Section 2
Does the plan make explicit how health inequalities are being addressed?	Fully Confident		Section 2 -
Does the plan contain up-to-date information about the local level of need and the implications for local services, including where gaps exist and plans to address this?	Fully Confident		Section 2
3. LTP Ambition 2018-2020	Rating	Overall confidence levels	
	Fully Confident		Continue A
Does the LTP identify a system-wide breadth of transformation of all relevant partners, including NHS England Specialised Commissioning, the local authority, third sector, youth justice and schools & colleges, primary care and relevant community groups?	Fully Confident		Section 4,
Does the LTP align with the deliverables set out in the Five Year Forward View for Mental Health with a clear vision as to how delivery will be different in 2020 and how this will be evidenced?	Fully Confident		Throughou
Does the plan evidence the whole system of care including:	Fully Confident		Section 4,
- prevention and early intervention, including universal settings, schools, colleges and primary care	Fully Confident		Section 4 a
- early help provision with local authorities, Public Health and Directors of Children's Services	Fully Confident		Section 4 a
- evidenced – based routine care	Fully Confident		Section 4 a
- crisis care and intensive interventions	Fully Confident		Section 5
- identifying needs, care and support for groups who may require alternative intervention types or settings or further outreach services, such as those who have experienced trauma or abuse, 3 or more adverse childhood experiences (ACEs), looked after			
children, children with learning disabilities, isolated communities, groups with historically poor access to mental health services, those at risk of entering the justice system. This is not an exhaustive list and will vary depending on area			
	Fully Confident		Section 4
- inpatient care	Fully Confident		Section 7
- specialist care e.g. CYP with learning disabilities or forensic CAMHS	Fully Confident		Section 7
Where New Models of Care are being tested is there a commitment to continue to invest LTP monies beyond the pilot?	Partially Confident		Section 7
Does the LTP evidence: a) commissioning practice and b) local operating procedures which promote and encourage prompt referrals and access to services? e.g. does the plan describe proactive work to support those working with CYP to promptly and			
appropriately refer to CYPMHS?	Partially Confident		Section 4
Does the LTP clearly set out, based on the best available evidence, the expected and/or intended impact of local prevention services on the wider pathway and on the outcomes for CYP using the services?	Fully Confident		Throughou
Does the plan map out services provided directly by schools to support emotional wellbeing and MH? Are these co-ordinated with services commissioned by CCGs and Local Authority?	Fully Confident		Section 4 -
Does the LTP include work underway with adult MHS to link to liaison psychiatry in line with the requirements in the Five Year Forward View for Mental Health for CCGs to commission improved access to liaison mental health services?			
	Partially Confident		Section 4 a
Does the LTP include joint agencies sustainability plans going forward beyond 2020/21?	Partially Confident		Section 6
4. Workforce	Rating	Overall confidence levels	
Does the LTP include a multi-agency workforce plan or align with wider STP level workforce planning?	Partially Confident		Section 5 -
Does the LTP include a multi-agency workforce plan of angli with wider STP level workforce planning? Does this include schools and colleges?	Partially Confident		Section 5 -
Does the workforce plan identify the additional staff required by 2020 and include plans to recruit new staff and train existing staff to deliver the LTP's ambition?	Partially Confident		Section 5 -
	Partially Confident		Section 5 -
Does the workforce plan include CPD and continued training to deliver evidence based interventions (e.g. CYP IAPT training programmes), including resources to support this? Does the plan include additional workforce requirements? E.g. to train and retain Wellbeing Practitioners for CYP and additional staff for CYP 24/7 crisis care and dedicated eating disorders services where this is not already in place?			Section 5 -
			Section 5
Deas the workforce plan detail how it will train staff in skills to work with children with specific peeds a g shildren and young peeple with learning disabilities autism or both ADHD and communication impairments?	Fully Confident		Soction E
Does the workforce plan detail how it will train staff in skills to work with children with specific needs e.g. children and young people with learning disabilities, autism or both, ADHD, and communication impairments?	Fully Confident Partially Confident		
Does the workforce plan detail the required work and engagement with key organisations, including schools and colleges, and detail how the plans will increase capacity and capability of the wider system?	Fully Confident Partially Confident Fully Confident		Section 5 - Section 5 -
