

South Chichester County Local Committee

5 February 2019

Progress Statement

Date & Minute No.	Subject /Agenda	Action / Progress	Contact:
30 October Minute 20.3	Hornet Traffic Lights	The Committee discussed the Hornet Traffic Lights	Chris Dye
February Update	Following on from the previous progress update in October the County Council, in its capacity as the Highway Authority, currently has no plan to relocate the signalised pedestrian crossing on The Hornet, Chichester. There are a number of ongoing internal conversations to discuss the legal position surrounding the planning permission process, and how this relates to the County Council's remit as the Highway Authority. Once the discussions have been concluded a further update will be provided to the Committee.		
30 October Minute 25.4 3 rd bullet	Prioritisation of Traffic Regulation Orders (TRO)	Chris Dye resolved to investigate the Clay Lane application and provide feedback.	Chris Dye
February Update	<p>Chris Dye has reviewed the original assessment undertaken and has confirmed to Louise Goldsmith that the reason that the Parish Council's TRO proposals did not meet the County Council's Speed Limit Policy was due to not meeting the route assessment criteria, principally the lack of frontage development and the carriageway characteristics.</p> <p>Louise Goldsmith referenced a number of developments that have or are due to take place along Clay Lane and Chris Dye confirmed that if a material change occurred to route characteristics in the future, enough so that it would meet Speed Limit Policy criteria, officers could consider a new TRO application from the community in the future.</p>		
30 October Minute 25.4 5 th bullet	Prioritisation of Traffic Regulation Orders (TRO)	Chris Dye resolved to look into the parking issue at Cawley Road to see if there were alternative ways to assist.	Chris Dye
February Update	<p>Officers have visited Cawley Road and are unable to propose any further actions from a highways perspective.</p> <p>Although it is apparent that the applicant has undertaken recent works to the private gated entrance serving the property, it is felt that further modifications to this could resolve the isolated access issue being experienced.</p>
