

<b>Date of meeting:</b>	25 April 2019
<b>Item Title:</b>	West Sussex Joint Health and Wellbeing Strategy – <i>Start Well, Live Well, Age Well</i>
<b>Executive Summary:</b>	<p><b>Summary</b></p> <p>The West Sussex Health and Wellbeing Board has a duty to produce a Joint Health and Wellbeing Strategy (JHWS), which sets out how the Board will address the health and wellbeing needs of the local population, as identified in the Joint Strategic Needs Assessment (JSNA).</p> <p>Throughout 2018, the Board has undertaken a review of its JHWS to replace the current 2015 – 2018 JHWS. The new Strategy also sets out the Board’s new vision and ways of working.</p> <p>The purpose of the Strategy is to guide the planning, commissioning and delivery of health and social care, and related services across West Sussex.</p> <p>The Strategy adopts a life-course approach and focusses on priorities identified across different life stages;</p> <ul style="list-style-type: none"> <li>• <i>Starting Well</i></li> <li>• <i>Living and Working well</i></li> <li>• <i>Ageing Well</i></li> </ul>
<b>Recommendations for the Board:</b>	The Strategy has been ratified by the CCG governing bodies and WSCC Cabinet board. The Board is therefore asked to sign off the final Joint Health and Wellbeing Strategy 2019 – 2024 (Appendix 1)
<b>Relevance to <a href="#">Joint Health and Wellbeing Strategy</a>:</b>	New Joint Health and Wellbeing Strategy replaces the 2015 – 2018 strategy.
<b>Financial implications</b>	Not applicable
<b>Consultation</b> (undertaken or planned):	<p>In developing this Strategy, the Board engaged with various stakeholders and partners for their input on issues that affect them and their local communities. The JSNA, including the JSNA Voice Summary, captured and summarised the voices of local people and issues that they felt affect them.</p> <p>In addition, partner engagement events were used to engage various stakeholders. These include:</p>

	<ul style="list-style-type: none"> <li>• The Big Health and Care Conversations</li> <li>• Clinical Commissioning Group Patient Engagement Committee meetings</li> <li>• District and Borough Council Chief Executive meetings</li> <li>• Healthwatch meetings</li> <li>• Clinical Commissioning Group governance committee meetings</li> </ul> <p>A public consultation was also undertaken from 3 December until 27 January 2019 to obtain views from key stakeholders, including members of the public, workforce and partners. All responses to the consultation were considered and some changes were made to the Strategy, incorporating the feedback, where appropriate (Consultation report is included in the Appendix 2). Changes made to the Strategy following consultation feedback include:</p> <ul style="list-style-type: none"> <li>○ Providing some clarity on the purpose of the Strategy</li> <li>○ Explicitly highlighting the high risk and priority population groups in relation to addressing health inequalities</li> <li>○ Simplifying the language, and including a contents page and executive. A shorter summary document will also be produced</li> <li>○ Referencing the NHS Long Term Plan</li> <li>○ Adding a goal on the need for good quality end of life care</li> <li>○ Adding some data on child neglect</li> <li>○ Providing clarification that some issues cut across the different life stages i.e. housing, environment, and mental health/wellbeing.</li> </ul> <p>The strategy was agreed at the Governing Board meeting of NHS Coastal West Sussex Clinical Commissioning Group on March 26 2019, and at the North Place Governing Body Committee in Common 28 March 2019 for NHS Crawley Clinical Commissioning Group and NHS Horsham and Mid Sussex Clinical Commissioning Group.</p> <p>An equality impact report was also done, see Appendix 3</p>
