

Forward Plan of Key Decisions

Explanatory Note

The County Council must give at least 28 days' notice of all key decisions to be taken by members or officers. The Forward Plan includes all key decisions and the expected month for the decision to be taken over a four-month period. Decisions are categorised in the Forward Plan according to the [West Sussex Plan](#) priorities of:

- Best Start in Life
- A Prosperous Place
- A Safe, Strong and Sustainable Place
- Independence in Later Life
- A Council that Works for the Community

The Forward Plan is updated regularly and key decisions can be taken daily. Published decisions are available via this [link](#). The Forward Plan is available on the County Council's website www.westsussex.gov.uk and from Democratic Services, County Hall, West Street, Chichester, PO19 1RQ, all Help Points and the main libraries in Bognor Regis, Crawley, Haywards Heath, Horsham and Worthing.

Key decisions are those which:

- Involve expenditure or savings of £500,000 or more (except decisions in connection with treasury management); and/or
- Will have a significant effect on communities in two or more electoral divisions in terms of how services are provided.

The following information is provided for each entry in the Forward Plan:

Decision	The title of the decision, a brief summary and proposed recommendation(s)
Decision By	Who will take the decision
West Sussex Plan priority	See above for the five priorities contained in the West Sussex Plan
Date added to Forward Plan	The date the proposed decision was added to the Forward Plan
Decision Month	The decision will be taken on any working day in the month stated
Consultation/ Representations	Means of consultation/names of consultees and/or dates of Select Committee meetings and how to make representations on the decision and by when
Background Documents	What documents relating to the proposed decision are available (via links on the website version of the Forward Plan). Hard copies of background documents are available on request from the decision contact.
Author	The contact details of the decision report author
Contact	Who in Democratic Services you can contact about the entry

For questions about the Forward Plan contact Helena Cox on 033022 22533, email helena.cox@westsussex.gov.uk.

A Prosperous Place

Cabinet Member for Highways and Infrastructure

A284 Lyminster Bypass - Land Acquisition

The Lyminster bypass has been safeguarded through the Arun District Local Plan (2003) and it continues to be safeguarded in the recently adopted Arun District Local Plan. The proposed bypass will provide an important north-south link between Littlehampton and the A27 Crossbush. It will help to deliver 700 new jobs and 1,260 new houses as part of the North Littlehampton development area, as well as realising safety benefits through Lyminster Village and improving journey time reliability.

The Cabinet Member for Highways and Infrastructure authorised the submission of a planning application in July 2018 ([HT12 18/19](#)) and planning permission for the scheme was approved at West Sussex County Council's Planning Committee on 26 March 2019 subject to call-in by the Secretary of State.

The compulsory acquisition of land and rights will be required to enable the scheme to progress towards completion and the Cabinet Member for Highways and Infrastructure will be asked to authorise the Director of Law and Assurance to publish the necessary Compulsory Purchase Order and take any necessary action to secure the land either by agreement or compulsion

Cabinet Member for Highways and Infrastructure

Guidance on Parking in New Developments

The Council provides guidance on parking in new residential and commercial developments to inform the determination of planning applications by Local Planning Authorities (LPA). It addresses the amount of car and cycle parking that is expected to be provided and includes advice to developers and the LPAs on the highway impacts of parking provision in new developments.

The current guidance was last reviewed in 2010 (residential), and 2003 (commercial). There is a need to review the current guidance to ensure it is fit for purpose, up to date and consistent with current national planning policy and guidance. A review of the current guidance has been undertaken in consultation with the LPAs to provide an updated evidence base and recommendations on which the new guidance will be based.

The Cabinet Member for Highways and Infrastructure will receive a report on the review of current guidance and be asked to approve the Council's updated Guidance on Parking in New Developments.

Cabinet Member for Highways and Infrastructure

A259 Littlehampton Corridor Improvements

The A259 Littlehampton Corridor improvement scheme comprises dualling the existing single carriageway between the new Fitzalan Link Road (east of the Wick Roundabout) and the Body Shop Roundabout as well as between the Station Road Roundabout and A280 Roundabout. Additionally, new cycling and pedestrian facilities will be provided adjacent to but separated from the carriageway.

A decision was taken by the Cabinet Member for Highways and Infrastructure (HI25

17/18) in January 2018 in relation to the plans for improvements to the A259 between Worthing and Littlehampton.

The Cabinet Member for Highways and Infrastructure will be asked to approve the capital allocation for the improvement scheme and award the construction contract.

Leader

Chichester Southern Gateway

The Chichester Growth Deal defines joint growth priorities for West Sussex County Council (WSCC) and Chichester District Council (CDC) including the delivery of housing, employment space, improved connectivity and improved public realm as identified in the Adopted Southern Gateway Masterplan. The Southern Gateway Masterplan includes the development of WSCC land at the former Year 7 Block and the current all-weather hockey pitch at Chichester High School.

A Collaboration Agreement between WSCC and CDC commits each authority to the MasterPlan objectives and supports the procurement process to appoint a Development Partner. CDC published an Official Journal of the European Union (OJEU) procurement notice in April 2019. Subject to this Leader decision, WSCC will enter the procurement process in June 2019 prior to the assessment of bids.

Should WSCC, through this decision, agree to join the procurement process and through

that procurement process a development partner demonstrates that the WSCC valuation of its land and other key identified evaluation criteria can be met, WSCC would be committed to the appointment of a development partner and completion of a Development Agreement. The outcome of the procurement process will be the subject of a further decision report later in the year, anticipated to be in the Autumn.

An agreement is in place with CDC to secure Local Growth Funds (LGF), held by CDC, to progress the demolition of the Year 7 Block and relocation of the hockey pitch. The agreement has secured the transfer of £485k to WSCC for the demolition work and potential transfer of a further £1.5m of LGF for the relocation of the hockey pitch, subject to contractual agreement with the Chichester High School (Kemnal Academy Trust).

The Leader will be asked to agree:

- That arrangements to progress the demolition of the Former Year 7 Block and the arrangements to progress the relocation of the all-weather hockey pitch are agreed and these projects are progressed using LGF;
- That WSCC join the Procurement Process to secure a Development Partner for the Southern Gateway to allow WSCC to assess submitted bids against the WSCC valuation of its land and other key identified evaluation criteria.
- That a further Decision Report will be published in the Autumn 2019 to report the outcome of the Procurement Process in order to determine WSCC's involvement in the appointment of a Development Partner.

Crawley Growth Programme: Funding and Governance

In August 2017 the Leader approved the Crawley Growth Programme [LDR04 17.18](#) and following approval of the business case by the West Sussex Local Enterprise Partnership,

delegated authority to the Executive Director Economy, Infrastructure and Environment to progress the projects (now Executive Director of Place Services). In December 2017 [OKD03\(17-18\)](#) the Executive Director Economy, Infrastructure and Environment (now Executive Director of Place Services) agreed Crawley Growth Programme project funding allocations and delivery governance.

Much progress has been made since December 2017 and a number of projects have been developed, designed and delivered under the guidance of the Crawley Growth Board.

The Executive Director of Place Services will be asked to approve amendments to project funding allocations, within the overall Programme funding allocation, and project governance to reflect current estimates and delivery routes supported by the Crawley Growth Board.

Eastern Gateway, Crawley Growth programme- Contract award

In August 2017 the Leader approved the Crawley Growth Programme (ref report: [LDR04 17.18](#)) and following approval of the business case by the West Sussex Local Enterprise Partnership, delegated authority to the Executive Director Economy, Infrastructure and Environment (now Director of Place Services) to progress the projects.

Eastern Gateway is a key project within the growth programme.

The £8.35m scheme will:

- Improve connectivity between the town and key development sites in the vicinity of the proposals including the Town Hall, County Buildings,

- Crawley College and Telford Place;
- Support the delivery of residential and commercial development in Crawley Town centre;
- Improve the public realm and living environment in the town.

In February 2019, the Executive Director, Economy, Infrastructure and Environment approved the commencement of the tender process to secure a design and build Contractor through the WSCC Highways Design and Build framework.

Following completion of the Tender process, the Executive Director of Place Services will be asked to approve the award of a design and build contract through the WSCC highways framework.

Environment, Communities and Fire Select Committee

Cabinet Member for Highways and Infrastructure

Framework for co-ordinating and approving events on West Sussex highways

During the past few years West Sussex has seen an increase in events taking place on the highway across the county. In order to realise the benefits from such events, the impacts on the community must be adequately considered and mitigated.

A Framework for co-ordinating and approving events on West Sussex highways is being developed and will set out a clear timeline and process for the approval of road closures to ensure it is consultative and transparent, whilst balancing the impacts versus the benefits. It also sets out expectations in relation to how partners and event organisers communicate and co-ordinate to minimise any impact attributed to events.

The Cabinet Member will be asked to approve a framework for co-ordinating and approving events on West Sussex highways.

Cabinet Member for Highways and Infrastructure

Highways and Transport Service Area Review - Highway Maintenance Plan

The County Council, in its capacity as Highway Authority, has a duty to maintain the highway under Section 41(1) of the Highways Act 1980. However, the Act does not specify the levels of service required in order to meet that duty. In previous years, documents have been produced which detailed the highway maintenance service levels customers could expect to receive.

A document named "Well-managed Highway Infrastructure" was published in October 2016, replacing "Well-maintained Highways", "Management of Highway Structures" and "Well-lit Highways". Like its predecessors, "Well-managed Highway Infrastructure" is a national, non-statutory code of practice which sets out a series of general principles for highway maintenance. It is endorsed and recommended by the Department for Transport and its production has been overseen by the UK Roads Liaison Group (UKRLG) and its Roads, Bridges and Lighting Boards.

In order to demonstrate that the County Council complies with the principles of "Well-managed Highway Infrastructure", a robust decision-making process must be demonstrated, an understanding of the consequences of those decisions, and how the associated risks are managed to ensure highway safety. As part of that process, a new Highway Maintenance Plan needs to be produced, which clearly sets out the levels of service customers may expect and which integrates with a revised "Safety Plus" inspection manual.

The Cabinet Member for Highways and Infrastructure will be asked to approve a new Highway Maintenance Plan, including a review of service levels currently delivered, and propose changes to service levels if required.

Executive Director of Place Services

Worthing Portland Road Public Realm Works - Adur and Worthing Growth Programme	
<p>The approved Adur and Worthing Growth Programme identified public realm improvements in Worthing town centre to support the development of the regeneration sites and the town's future economy. A £12m programme of 8 public realm schemes between the station and the seafront was identified. West Sussex County Council (WSCC) have committed £5m of growth funding towards the programme to specifically deliver two of the schemes in key locations - Portland Road and South Street. Worthing Borough Council (WBC) are committing to fund the remainder of the schemes through CIL, s106 contributions and direct developer contributions.</p> <p>Delivering these key regeneration sites in the town will bring forward additional homes, jobs and leisure facilities. The public realm programme of schemes will also provide better north south connectivity between the station and the town centre and create a more experienced based location that will help the town centre economy thrive into the future.</p> <p>The preliminary design for the Portland Road scheme will be completed first with South Street following along later in the year. The preliminary design for Portland Road is the culmination of several stakeholder and public workshops and exhibitions and a public consultation in February. Its design will attract new users to the area and encourage dwell time in the town centre for the benefit of the businesses and local economy.</p> <p>The Executive Director of Place Services is asked to give authority to proceed with the procurement for delivery of the Portland Road public realm scheme.</p>

Transport for the South East: response to consultation about statutory status

Transport for the South East (TfSE), a sub-national transport body that currently operates in 'shadow' form, is seeking to obtain statutory status. The body has the twin purpose of facilitating the delivery of a regional transport strategy and promoting economic growth in the South East. If it gains statutory status, TfSE will enable local transport authorities in the South East, including the County Council, to provide a single voice to Government on strategic transport issues and influence national investment decisions.

TfSE is consulting on a draft proposal that will set out the membership, voting powers, decision-making arrangements, functions and general powers that it is seeking for the body through obtaining statutory status.

The Cabinet Member for Highways and Infrastructure will be asked to approve the County Council's consultation response and, subject to there being no substantive changes to the final proposal, delegate authority to the Director for Highways, Transport and Planning to submit the final proposal to Government.

Cabinet Member for Environment

Adoption of the Shoreham Harbour Joint Area Action Plan

The Shoreham Harbour [Joint Area Action Plan](#) (JAAP) has been prepared jointly by the County Council, Adur District Council and Brighton & Hove City Council for an area which stretches from the Adur Ferry Bridge in the west through to Hove Lagoon (in Brighton & Hove) in the east. Once adopted, the JAAP will provide planning policies against which applications for development in Shoreham Harbour will be assessed.

Following the Independent Examination in September 2018 and Main Modification representation period in January – March 2019, and subject to a 'sound' Inspector's report being received by the authorities, West Sussex County Council, Adur District Council and Brighton & Hove City Councils can then adopt the plan.

The Cabinet Member will be asked to recommend that the County Council adopts the JAAP at its meeting on 19 July 2019.
