

Cabinet Member Responses

Response from Cabinet Member for Highways and Infrastructure – Mr Roger Elkins		
Agenda item	Environment Communities and Fire Select Committee recommendations (05 March 2020)	Response
Road Space Audit	<ul style="list-style-type: none"> • (The Committee) Noted the challenges faced to date in delivering the programme, and anticipated further slippage in future. • All RSA's should take into account the green agenda and the anticipated change in town centre configuration due to the decline of the retail sector. • There is a need to ensure that carers and care homes are not adversely affected by proposals. • The proposals need to be more flexible and a phased implementation is welcomed to see if it causes displacement. • The Cabinet Member should review the whole programme, to confirm it remains deliverable (with regard to its resourcing and funding, in particular). • There needs to be better communications on this, and highways policy in general, including with district and borough council. • Wants to be reassured that sufficient enforcement will be undertaken • Having a Growth Deal in place should advance areas up the programme, which should benefit areas such as Littlehampton 	<p>The Cabinet Member for Highways and Infrastructure is reviewing the Road Space Audit programme, will take the Scrutiny Committee's comments into account and provide a further update to the Committee in due course.'</p>
