

Forward Plan of Key Decisions

The County Council must give at least 28 days’ notice of all key decisions to be taken by councillors or officers. The Plan describes these proposals and the month in which the decisions are to be taken over a four-month period. Decisions are categorised according to the [West Sussex Plan](#) priorities of:

- **Best Start in Life** (those concerning children, young people and schools)
- **A Prosperous Place** (the local economy, infrastructure, highways and transport)
- **A Safe, Strong and Sustainable Place** (Fire & Rescue, Environmental and Community services)
- **Independence in Later Life** (services for older people or work with health partners)
- **A Council that Works for the Community** (finances, assets and internal Council services)

The most important decisions will be taken by the Cabinet. In accordance with regulations in response to the current public health emergency, Cabinet meetings will be held virtually with councillors in remote attendance. Public access will be via webcasting and the meetings will be available to watch online via our [webcasting website](#). The [schedule of monthly Cabinet meetings](#) is available on the website. The Forward Plan is updated regularly and key decisions can be taken on any day in the month if they are not taken at Cabinet meetings. The [Plan](#) is available on the. [Published decisions](#) are also available via the website.

A key decision is one which:

- Involves expenditure or savings of £500,000 or more (except treasury management); and/or

Each month the Cabinet will consider the Council’s performance against its planned outcomes and in connection with a register of corporate risk. Areas of particular significance may be considered at the scheduled Cabinet meetings.

The re-designation of Post 16 provision at Oak Grove College, Worthing	
<p>Oak Grove is a special college in Worthing that offers provision for students with learning difficulties from Years 7-14.</p> <p>One of the aims of the County Council's Special Educational Needs and Disabilities (SEND) and Inclusion Strategy 2019-2024 is to support the inclusion of all children and young people with SEND to participate in local mainstream schools and educational settings. Procurement of a Dynamic Purchasing System for Independent Alternative Provision for children with SEND

The County Council has a statutory obligation to provide suitable education for all pupils including those who, because of exclusion, illness or other reasons, would not otherwise receive suitable education; this is termed Alternative Provision

Currently the need for Alternative Provision is predominately for children with Special Educational Needs and Disabilities (SEND) and is commissioned on a case by case basis with Individual Placement Agreements (IPAs) ensuring that the provision meets the needs of the child/young person for each placement.

Whilst the County Council provides some of these services, the demand is such that a significant amount of provision has to be purchased from the external market and evaluation shows this is a trend expected to continue. In order to meet this demand, it is proposed to set up a Dynamic Purchasing System (DPS) to enable the efficient sourcing of Independent Alternative Provision services from qualified suppliers.

The Cabinet Member for Education and Skills will be asked to approve the commencement of a procurement to set up a DPS to enable the purchase of Independent Alternative Provision services for children with SEND.

Extension of Dynamic Purchasing System for 16+ services

In April 2016, the Cabinet Member for Children - Start of Life approved the commencement of a procurement process for providing accommodation for those young

people aged 16+ who are looked after (decision reference [CH01\(16/17\)](#)). The services offer a leaving care/independent living service in preparation for living independently.

The Cabinet Member delegated authority to the Executive Director to let the contract. The procurement resulted in the establishment of a Dynamic Purchasing System (DPS) to enable the purchase of the accommodation services. The DPS opened in April 2017 and ran for an initial term of 3 years to March 2020. The contract allows for an extension period of two years and it is proposed to exercise this option.

New applicants are currently waiting to join the DPS, which would increase the supply of services available to young people. Extending the DPS will also allow the Service time to consider options for recommissioning the services, including redesigning the service model.

The Executive Director of Children, Young People and Learning will be asked to reopen the DPS portal and to extend it for 2 years from the point of closure, to 31st March 2022.

Award of contract for installation of Modular Teaching Block at Queen Elizabeth II Silver Jubilee Special School, Horsham

Queen Elizabeth II Silver Jubilee School (QEII School) in Horsham caters for a wide range of Special Educational Needs, for children aged between 2 and 19 with severe learning difficulties, profound and multiple learning difficulties or complex needs.

Over recent years additional pupils have been accommodated by the school but without the supporting investment in accommodation. Pupil numbers have increased from 85 in 2017 to 105 in 2019.

In July 2020 the Cabinet Member for Education and Skills approved the allocation of capital funding from the Basic Need Capital Programme to expand the school and delegated authority to the Director of Property and Assets to award the contract for the works (Decision reference [ES02 \(20/21\)](#)). The building project will provide a three class modular teaching block with associated group room, hygiene provision, storage and external works.

The Director of Property and Assets will be asked to approve the award of contract for the expansion works at QEII school.

Expansion of Palatine Primary School, Worthing

The Special Educational Needs and Disability (SEND) Strategy 2019-2024 aims to provide high quality local education provision for children and young people with SEND and optimise value for money from the High Needs Block of the Dedicated Schools Grant. As part of the development of the SEND Strategy, the County Council has identified an increased demand for extra provision in Special Schools across West Sussex to meet increasing needs. There is a requirement to both increase places at certain special schools and to ensure existing school accommodation meets the needs of the pupils on roll.

Following a review of current numbers on roll, projected needs and the existing accommodation at Palatine Primary School in Worthing the need for additional accommodation has been identified, to meet a projected increase in pupils from 153 to 178. The school caters for a wide-range of Special Educational Needs and Disability for

pupils aged between 4 and 11, including children with moderate and severe learning difficulties, complex social and communication difficulties and profound and multiple learning difficulties.

A proposed project to deliver an increase in capacity would enable the school to offer suitable accommodation and support spaces for 178 pupils.

The feasibility work for the project to accommodate the pupils has been completed. Following detailed design and associated cost estimates the Cabinet Member for Education and Skills will be asked to approve the allocation of the funds required to enable the project to proceed.
