

Fire and Rescue Service Scrutiny Committee

7 July 2022

West Sussex Fire & Rescue Service Annual Statement of Assurance 2021-22

Report by Director of Law and Assurance

Summary

Fire and rescue authorities must provide assurance on financial, governance and operational matters and show how they have had due regard to the expectations set out in their Integrated Risk Management Plan (IRMP), this will be known as a Community Risk Management Plan (CRMP) for 2022/2023. Statements of assurance should be open and transparent, demonstrating accountability to communities who expect to know how these services are being provided. The document at Appendix B outlines the way in which the West Sussex County Council and its fire and rescue service delivered the requirements contained in the National Fire and Rescue Framework and the authority's IRMP during 2021/2022.
