### Risk Description

The care market is experiencing an unprecedented period of fragility, particularly due to staff shortages and increasing demand. This has been further exacerbated by COVID19. If the current and future commercial/economic viability of providers is not identified and supported, there is a risk of failure of social care provision which will result in funded and self-funded residents of West Sussex left without suitable care.

Escalate to Assistant Directors and Exec Director any situation where a child or young person is at risk of being without a registered provision when they require one.

Ongoing

Risk Description

The government have stipulated that from 9 Sep 2021 children in care under 16 will not be allowed to be accommodated in unregulated placements. This has strengthened existing regulations that stipulate that all children and young people who require residential care must be placed within registered children's homes. Due to a local and nationwide shortage of registered provision there is a risk that these children and young people will not be cared for in settings that best meet their needs, which could lead to safeguarding concerns and enforcement action against the providers of unregistered homes and local authorities.
