Procurement: Healthy Child Programme

The Health and Social Care Act 2012 sets out the statutory responsibility for the County Council to deliver and commission public health services for children and young people aged 5-19 years. On 01 October 2015 the Council became responsible for statutory children's public health services, a national programme of pre-school and school age services from health visitors including the Family Nurse Partnership (FNP) and school nurses delivering Public Health outcomes for children and young people 0-19 years of age (25 years of age for young people with special educational needs and disabilities). The current HCP contract will conclude in March 2024.

The Cabinet Member for Public Health and Wellbeing will be asked to endorse the procurement of a new contract to deliver the HCP in West Sussex, to commence from April 2024 at a contract value of approximately £10.7m per annum and to delegate to the Director of Public Health the authority to award the contract(s). Further decision reports will be published as appropriate.
