

# Forward Plan of Key Decisions

The County Council must give at least 28 days' notice of all key decisions to be taken by councillors or officers. The Plan describes these proposals and the month in which the decisions are to be taken over a four-month period. Decisions are categorised according to Cabinet Member portfolios.

The most important decisions will be taken by the Cabinet sitting in public. The meetings are also available to watch online via our webcasting website. The schedule of monthly Cabinet meetings is available on the website.

The Forward Plan is updated regularly and key decisions can be taken on any day in the month if they are not taken at Cabinet meetings. The Plan is available on the website. Published decisions are also available via the website.

A key decision is one which:

- Involves expenditure or savings of £500,000 or more (except treasury management); and/or
- Will have a significant effect on communities in two or more electoral divisions in terms of how services are provided.

## Finance, assets, performance and risk management

Each month the Cabinet Member for Finance and Property reviews the Council's budget position and may take adjustment decisions. A similar monthly review of Council property and assets is carried out and may lead to decisions about them. These are noted in the Forward Plan as 'rolling decisions'.

Each month the Cabinet will consider the Council's performance against its planned outcomes and in connection with a register of corporate risk. Areas of particular significance may be considered at the scheduled Cabinet meetings.

Significant proposals for the management of the Council's budget and spending plans will be dealt with at a scheduled Cabinet meeting and shown in the Plan as strategic budget options.

### Endorsement Community Asset Transfer Lease: Phoenix Centre

The County Council's [Asset Management Strategy](#) supports the principle of the transfer of community assets in order to empower and strengthen local communities. The Council believes that transferring appropriate public assets to communities leads to more responsive services that better meet local people's priorities. The following vacant property has been identified as suitable for Community Asset Transfer:

- Phoenix Centre, Westloats Lane, North Bersted, Bognor Regis, West Sussex, PO21 5JD

This has been declared surplus to operational requirements following the redesign of the Council's Early Help Centres ([CAB02 21/222](#)).

Constituted community groups, charitable organisations, voluntary groups and Town and Parish Councils working in partnership with local community groups have been invited to apply for transfer of this property. The Council is looking to work with suitable organisations that are able to demonstrate, through a selection process, the ability to take on, manage and maintain these assets through a Full Repairing and Insuring Lease, with terms to be agreed, subject to contract. Providing a suitable proposal comes forward, a preferred lessee will be chosen.

The Cabinet Member for Finance and Property will be asked to approve the granting of a lease of the property of over 14 years in term at nil rent.

## Cabinet Member for Support Services and Economic Development

### Endorsement of Funding: Southwick Square - public realm improvements

The Adur Growth Deal signed in 2017, is a joint commitment between Adur District Council (ADC) and West Sussex County Council (WSCC) to focus partnership resource and investment on economic growth priorities. Work is underway to review investment priorities for a refreshed Growth Deal from 2023.

Discussions to date have focused on supporting growth through improving access and key facilities in town centres and highstreets, including improvements to transport links and digital connectivity to support businesses, residents, and visitors.

A priority scheme is proposed to support economic regeneration at Southwick Square, to bring the public realm up to a modern standard. This will improve accessibility, create more planting, enable businesses to spill out and provide flexible space for performances, markets and areas for community interaction in a busy shopping area.

This aligns with the County Council's Economic Plan (2020-24) and 'Our Council Plan' (2021-25). Design work is underway and it is anticipated works will commence on-site in spring 2023 with completion in late Autumn.

The Cabinet Member for Support Services and Economic Development and will be asked to endorse:

1. The appointment of Adur District Council as the delivery body for the Southwick Square Capital Project; and
2. allocation of up to £600k from the £2m 22/23 WSCC Capital Growth Allocation to support the scheme.

## Director of Finance and Support Services

### Award of Contract: Highway Asset and Customer Management system

The provision of an asset and customer management system is critical to ensuring the County Council can meet its statutory duty to maintain the highways maintainable at public expense and to be able to prove that the authority had taken such care as in all the circumstances is reasonably required to comply with that duty. The current contract has been novated back to the Council from Capita PLC and is due to end on 31 March 2023. A new three-year contract is required and in consultation with the Cabinet Member, procurement has commenced.

Upon the conclusion of the procurement process, the Director of Finance and Support Services, in consultation with the Assistant Director (Highways, Transport and Planning) will be asked to award a contract for the provision of a highway asset and customer management system.
