

# Forward Plan of Key Decisions

The County Council must give at least 28 days' notice of all key decisions to be taken by councillors or officers. The Plan describes these proposals and the month in which the decisions are to be taken over a four-month period. Decisions are categorised according to cabinet member portfolios.

The most important decisions will be taken by the Cabinet sitting in public. The meetings are also available to watch online via our webcasting website. The schedule of monthly Cabinet meetings is available on the website.

The Forward Plan is updated regularly and key decisions can be taken on any day in the month if they are not taken at Cabinet meetings. The Plan is available on the website. Published decisions are also available via the website.

A key decision is one which:

- Involves expenditure or savings of £500,000 or more (except treasury management); and/or
- Will have a significant effect on communities in two or more electoral divisions in terms of how services are provided.

The following information is provided for each entry in the Forward Plan:

## Finance, assets, performance and risk management

Each month the Cabinet Member for Finance and Property reviews the Council's budget position and may take adjustment decisions. A similar monthly review of Council property and assets is carried out and may lead to decisions about them. These are noted in the Forward Plan as 'rolling decisions'.

Each month the Cabinet will consider the Council's performance against its planned outcomes and in connection with a register of corporate risk. Areas of particular significance may be considered at the scheduled Cabinet meetings.

Significant proposals for the management of the Council's budget and spending plans will be dealt with at a scheduled Cabinet meeting and shown in the Plan as strategic budget options.

### **Award of Contract(s) for Vehicle Hire Services**

The County Council hires a range of vehicles to support the operational requirements of service-areas where the need is short term and cannot be met from the existing fleet.

The current contract for vehicle hire services for vehicles up to 7.5T (excluding minibuses) will expire in September 2023 and a new contract with at least one supplier is required.

The term of the contract will be 3.5yrs and the anticipated spend on vehicle hire services over the contract term is £1.2m based on the Council's current hire profile. There will be no minimum financial commitment to the awarded supplier(s) as part of any contract.

The Cabinet Member for Community Support, Fire and Rescue has endorsed the commencement of the procurement process to be carried out in line with Council's Standing Orders on Procurement and Contracts and delegated to the Chief Fire Officer the authority to award the contract(s) to the successful supplier.

**West Sussex Fire and Rescue Service - Award of contract for breathing apparatus and ancillary equipment**

West Sussex Fire and Rescue Service are leading an aggregated procurement to standardise Breathing Apparatus and ancillary equipment (BA) on behalf of the 4F Group consisting of West Sussex Fire and Rescue Service, East Sussex Fire Authority, Surrey Fire and Rescue Service and Kent and Medway Fire and Rescue Authority.

Aside from the collaborative process and initial financial efficiencies from procurement, the project outcomes will strongly influence a variety of longer-term benefits which will include:

1. standardisation of Breathing Apparatus (BA) equipment across 4F.
2. enabling the wider programme of operational alignment (for example BA).
3. seamless cross-border mobilisation of FRS assets and firefighters who can work together using the same operational guidance, training, and equipment.

The procurement will utilise a National Fire Chiefs Council (NFCC) endorsed Framework Agreement with each organisation entering into its own call-off agreement for the provision of equipment and support services. The estimated total contract value for West Sussex is £1.7m based on a 10-year contract.

Following the completion of the procurement process, the Chief Fire Officer seeks to award the Contract for the purchase of this equipment to the bidder submitting the most economical and technologically suitable tender and following extensive practical evaluation processes by 4F leads.
