

Agenda Item 6 – DMMO 4/21

Proposal:

Addition of a footpath from Mouse Lane to footpath 2715 with an extension to bridleway 2714 and an extension to the historic Rifle Range Targets in the Parish of Steyning.

Evidence:

The application is based on user evidence showing continuous use by the public of the claimed route, since 1960. The evidence shows that use was as of right and without interruption on the route between 1991 to 2007. It is concluded that the evidence meets the legal test on the balance of probabilities.

Recommendation:

That a Definitive Map Modification Order to add the footpaths be made.
