West Sussex Fire & Rescue Service Annual Statement of Assurance Report by Director of Law and Assurance

Electoral division(s): All

Summary

Fire and rescue authorities must provide assurance on financial, governance and operational matters and show how they have had due regard to the expectations set out in their Community Risk Management Plan (CRMP). Statements of assurance should be open and transparent, demonstrating accountability to communities who expect to know how these services are being provided. The document at Appendix B outlines the way in which the West Sussex Fire & Rescue Authority and its fire and rescue service delivered the requirements contained in the National Fire and Rescue Framework and the authority's CRMP during 2023/2024.

Key lines of enquiry include:

- 2) If the performance and governance arrangements, as well as the steps taken to progress the strategic aims set out in the Community Risk Management Plan have been addressed adequately.
- 3) Identification of any specific areas for action or response by the relevant Cabinet Member.

The Chairman will summarise the output of the debate for consideration by the Committee.
