
Report to Children and Young People's Services Scrutiny Committee

26 February 2025

End of December 2024 (Quarter 3) Performance and Resources Report – Focus for Scrutiny

Report by Director of Law and Assurance

Summary

The Quarterly Performance and Resources Report (PRR) is the County Council's reporting mechanism for corporate performance, finance, savings delivery, risk and workforce. It has been designed to reflect the priorities, outcomes and measures included in the Council Plan. The report is available to each scrutiny committee on a quarterly basis and each committee will consider how it wishes to monitor and scrutinise performance relevant to their area of business.

The report reflects the position at the end of December 2024 and reports the Quarter 3 2024/25 position for the Children and Young People, Learning and Skills portfolio.

At the end of December 2024, the Children and Young People, Learning and Skills portfolio budget is forecasting a projected overspend of £11.4m, an increase of £2.2m from the position reported in September (Quarter 2).

Of the 17 performance measures for the Children and Young People, Learning and Skills portfolio, 6 measures are reporting as 'green', 5 as 'amber' and 6 as 'red'.

The current Risk Register (Appendix C) is included to give a holistic understanding of the Council's current performance reflecting the need to manage risk proactively.

The Cabinet meeting on 11 March 2025 will approve the Quarter 3 Performance and Resources Report. The conclusions from the Committee will be reported via the Chairman, to the Performance and Resources Scrutiny Committee on 7 March 2025.

Focus for scrutiny

In reviewing the PRR, the Committee's role is to monitor performance, finance and risk at a strategic level for its portfolio areas. Its focus should be on key performance indicators that are identified as red or amber as well as any budget variations.

Key lines of enquiry for scrutiny include:

1. What is being done to address areas of underperformance (KPIs currently showing as red or amber)?
2. The effectiveness of measures being taken to manage the revenue and capital budget position, specifically in relation to any budget variations, non-

delivery of the capital programme for projects within the committee's portfolio area or agreed savings.

3. Using the information on performance and finance does the service being delivered meet the objectives in the Council Plan and does it provide value for money?
4. Whether any concerns raised previously by the committee have been addressed?
5. To assess key corporate risks set out on the Risk Register relating to the Committee's areas of responsibility and plans to mitigate these.
6. To identify any issues for further in-depth scrutiny to include in the Committee's future work programme (where scrutiny may influence outcomes/add value).
7. To identify any specific areas for action or response by the relevant Cabinet Member or for further scrutiny by one of the other scrutiny committees.

The Chairman will summarise the output of the debate for consideration by the Committee.
